We may well have anxiety, and anticipate danger and loss; for it is certain to befall us. But when we really believe that God loves us, and means to do us good, we shall cease to worry about the future. We shall trust God as a child trusts a loving parent. Then our troubles and torments will disappear; for our will is swallowed up in the will of God.

This afternoon our prayer thought is found on pages 149, 150 of The Mount of Blessing. We shall read the first four paragraphs. These are based on the scripture, "Be not therefore anxious for the morrow . . . sufficient unto the day is the evil thereof."

And if you are determined to walk with God daily and to study His will concerning your own duties, not the duties of others, you will find plenty to keep you busy and out of mischief.

So far as I am able to find, history teaches that the martyrdom ceased in 1700 A. D. and that the Turkish empire began to shrink in 1699. The time of the end, therefore, began at the closing of the seventeenth century, the time martyrdom ceased, and the time the Turkish empire began to disintegrate.

Bear in mind that the purging was to continue up "to the time of the end," and that the king of the south was to push against the king of the north "<u>at</u> the time of the end." Now mark that the preposition "<u>to</u>" terminates at the preposition "<u>at</u>," that where the purging ends, the king's pushing begins. These points were brought to light at the beginning of this study.

Furthermore, no one seems to know when and how to observe the sacrament. Some observe it every Sunday or every Sabbath, some occasionally, some every quarter and so on. The message, moreover, teaches that we should remain in the mother church and work strictly for her salvation. The conclusion then is that as long as we stay with her, there seems to be no need for ordaining the Lord's Supper privately among ourselves, perhaps not before the hour comes for the penitent to be separated from the impenitent, as taught by the types-by the Passover in Egypt, and by the Passover on the night when Judas was to go out, never again to walk with the twelve.

So far, our God-sent message has not brought to our attention the ordination of the Lord's Supper, but it is pleading with us to depart from the abominations, to cast aside all our idols, to put away all our private ideas and opinions, to wholeheartedly return to the Lord.

Since Hitler and Russia (the powers of the north) started War No. II in Poland, then Japan (the power of the east) joined it, and since Turkey, the king of the south kept out of it, it is very obvious that the war of verse 44 is World War II into which the tidings here mentioned dragged England (the king of the north). World War II therefore is positively the war predicted in verses 44, 45, the last war of Daniel eleven. Moreover, the fact that only verse 44 so far has been fulfilled, that the king is yet to come to his end, is proof positive that World War II is yet to be finished, that there is to be no peace now, and no mutual agreement between the nations although the war is supposed to have ceased since Hitler's disappearance.

Consider how damaging the charge against Inspiration, how soul-destroying, and blasphemous against the Holy Ghost Who leads into all Truth! and how repulsive it must be to Christ, especially for coming from those who pretend to serve Him! For the sake of your life and for the lives of others, do not support such doctrines of devils. They are anything but Truth, anything but signs of the Spirit of Prophecy at work. Ask your-selves when Turkey or any other nation ever had 200,000,000 cavalrymen! As for their charge that the "Rod" teaches that the church is Babylon, we challenge them to produce the statement. And if they do not know what Babylon is, then they better read "The Shepherd's Rod."

True, the church is God's church, but those who

have taken charge of it are no better than the San-

To "recount his worthies" implies that the number of worthies—captains and generals and other mighty men along with his fine army—is diminishing and hence the need of recounting, and that "his worthies" are to stumble in their walk; that is they are to make some kind of a blunder on their march to victory and cause them to fall. And this is exactly what happened: Hitler's army stumbled by waging war against Russia while he was in war with Great Britain. That critical moment of his career was Hitler's greatest folly. England was just about to give up, but the German army pulled away and went to fight Russia! And, too, the fall of his worthies being mentioned before the fall of Assyria is mentioned, the prophecy thus reveals that "he that dasheth in pieces," Hitler, was to fall <u>first</u>.

By wresting Moses' writings, the Jews tried to refute Christ's teachings and it is certain that if the Laodiceans continue to wrest Sister White's writings in trying to refute the message for today, then their end shall be even more mournful than was the Jews'. I think I have time for another question: This

Hence God's plea to His church vows to God so as to be found worthy of escaping the this antitypical atonement feast and to perform her cut off." Thus urging Judah, the church, to keep the church, declares the scripture, they are "utterly (Matt. 25:1-12). His "... watchmen shall lift up the voice; with the voice together shall they sing: for they shall see eye to eye, when the Lord shall bring again Zion." (Isa. 52:8.)

Now, since it is a known fact that Great Britain and France were not prepared to fight Hitler when he opened up his guns against them, and as everyone of the Allies began to prepare themselves mightily <u>after</u> Hitler started to dash in pieces, the truth stands out as clear as crystal that "he who dasheth in pieces' is none other than Hitler, the one that was ready at the commencement of the war, the one who broke in several pieces Germany itself, the British empire and many other countries. The Allies, therefore, must be the antitypical Assyria. This is clue number one.

For clue number two we shall read about the means of travel and transportation in the day that the war preparations are made and the war itself fought.

Verses 3, 4-" . . . the chariots shall be with flaming torches in the day of his preparation, . . . The chariots shall rage in the broad ways: they shall seem like toranother in the broad ways: they shall seem like torches, they shall run like the lightnings."

These verses portray the means of travel and transportation in the day the war preparations are made and the war fought. Since World War II is the only war in history for which the preparations described by Nahum were made and used while the "chariots" (vehicular traffic) move with unprecedented speed, "lightning-like" speed, while motor traffic in air and sea, in city and countryside (streets and broadways), "justled one against another." All these signs of the time, mark the time the war is fought, they leave no room for doubts. They all in perfect terms certify that Vahum predicts World War II. For a third clue we shall read
